HORSE/PONY FEI PASSPORT APPLICATION FORM

PLEASE NOTE: Under the terms of the Passport (England) Order 2004 it is illegal for a horse to have more than one passport. The BEF, on behalf of the FEI, will issue a 'cover' for the original passport. When applying for an FEI Passport, please enclose your National Passport in order that we may check that it meets the FEI criteria (please see the advisory notes issued by the BEF, which are on the EGB website under FEI forms).

Please also note that a horse must be registered with the FEI before an application can be made for an FEI Passport (see separate FEI Horse Registration Form). Horses registered with the FEI for the first time must be microchipped.

It is recommended that you call the EGB office on 00 44 2476 697929 before submitting this Passport Application Form to check on processing timescales.
