We need your help! All our rides are run by volunteers, with members giving up their time to help each other. We expect all Iceni members to help at least once a year. The benefit, apart from being fair to others, is that stewarding is a very good way to learn more about endurance and is very enjoyable!

In order to be eligible for Iceni Trophy points in 2019 you must Steward for at least one competitive ride and one Pleasure ride, arranged through the Stewarding Secretary, Heather Weston. Stewarding arranged directly with Ride Organisers will not necessarily count towards points. As we have enough volunteers for the Pleasure Rides, the requirement now is two competitive rides. **Why not ride one day, steward the other!** Please note that stewarding at a Kings Forest ride counts for **either** ADR **or** Iceni trophy points, **not both**.

As a bonus, we are offering a **50% ride entry for the Xmas event** to members who offer to help on two occasions, and a free ride entry for those who help three times.

Please nominate your stewarding dates by entering your 1st or 2nd choices next to the ride you wish to attend (NB please give two 1st choices if you wish to steward twice and be eligible for trophies). Also, please state which day you wish to help if you nominate a 2 or 3 day ride, otherwise we will assume you want to help on each day!

Please email this form to Heather Weston at weston772@btinternet.com or send to Smallbridge Farmhouse, Smallbridge, Bures, Suffolk CO8 5BJ
