

Iceni February News

I hope you are all looking forward to the new season and that your plans are going well.

I hope those of you who came to the ABM/Awards evening enjoyed it as much as we did. The hotel always look after us so well. And seeing everyone's faces when they received their awards or picked up raffle prizes was a delight! You can see our prize winners [here](#)

These were clearly the highlight of the evening, but another highlight was that we announced that we have launched our new website; Hurray

We may be able to shorten this address. It is work in progress at the moment.

Details of Iceni events, and entry forms for all future [events](#) are posted on the [website](#) as well as results and photos from the awards evening. Also on the website are this years stewarding [forms](#) and associate membership [forms](#). Don't forget to get your stewarding requests in early so that you get your preferred dates. Details are on the website.

Also on the website are downloadable [trophy cards](#). Don't forget to download one, or send me an SAE and I will post one to you. My address is: Smallbridge Farmhouse, Smallbridge, Bures, Suffolk CO8 5BJ. We will also be posting information about ordering EGB/Iceni [merchandise](#).

More dates have been booked for Stratford Hills so that training is ongoing through the summer. Our social evenings are continuing, the next one will be on February 13th on the topic of preparing for the season/for a ride, and subsequently every second Wednesday of the month. These sessions are being held at The Heath Court Hotel in Newmarket. The reason for this choice of venue is that it takes about the same time to get to Newmarket from all the furthest parts of our area, with the advantage that it is an easy journey from all parts with easy access to the M11 and the A14. We do hope to see you there!

And lastly - as always, we would love to have your comments and suggestions - do let us know. Do email me at weston772@btinternet.com - we love to hear from you!

Future dates:

Wednesday 13th February - Social evening

Friday 15th February - Stratford Hills fitness training
